

TEAM CAPTAIN TOOLKIT

# RALLY YOUR TEAM

This includes assets to invite your colleagues and is meant to make building your team as easy as possible:

## **Invite email**

A customizable email that you can use to invite your team during registration.

## **Office poster**

A printable poster for you to put up in your office to encourage excitement and signups.

## **Messaging app post**

A digital asset to share on your company's internal messaging platform.

## **Shirt logos**

Corporate Challenge logos to be used when creating your company team shirts.

## **Know before you go template**

After you finalize your team, customize this email with any relevant information to get your colleagues ready for event day.
